Career Connected Questions

Career Connected Questions for 1-on-1 Meetings and Advising

- Challenge yourself to ask one career connected question in each meeting
- Ask “What”, “How”, and “Why” questions
- Keep your question simple and brief
- Ask your question and then pause

Explore

- If you won the lottery and never needed to earn money again, what would you spend your time doing? What real jobs would potentially allow you to do some of those things?
- Among all your assignments/activities, which are the most energizing?
- What is something you’ve always wanted to learn?
- How do you see your future self in 5, 10 or 15 years?
- Which of your passions have stayed consistent over time?

Investigate

- What new information do you need to explore that more?
- Where could you connect with someone doing that work?
- What skills do you hope to gain by completing this work project/taking those courses?

Immerse

- What skills are you gaining in this experience?
- What types of tasks do you enjoy or excel at completing?
- What behaviors do you think will be expected of you in this experience?
- What has surprised you about the work you’ve been doing?
- How do you think you could use these skills/experiences after graduation?

Launch

- What steps do you need to take to pursue this path?
- What are two things you would want a potential employer to know about your qualifications/experiences?
- How will you communicate this experience (IS, work project, student program) on a resume or in an interview?
