Success Built on Diversity

Join Our Team

Loop Capital is one of the largest minority-owned full-service investment banks in the United States. We provide brokerage and advisory services for corporate, governmental, and institutional entities across the globe. Our reputation for integrity and service – coupled with our track record of success – has allowed us to serve an expanding number of clients from country to country. Loop Capital is heavily involved in the communities in which we serve, and we are strongly focused on diversity.

Loop Capital ranks No. 1 in Vault's annual banking rankings for overall diversity, racial and ethnic diversity, diversity for women, and LGBT+ Diversity. Our mission has been and continues to be to lead in training, developing, and hiring the next generation of women and minority business leaders in this field.

Summer Internship Program

The Loop Capital Summer Internship Program offers a paid ten-week immersion in the financial services business through work in Loop Capital's various divisions, including Investment Banking—Corporate and Public Finance, Transition Management, Global Equity Research, Sales and Trading, Financial Consulting Services, Human Resources, Accounting, Real Estate, Legal/Compliance, and Information Technology. Prospective interns will be allowed to apply for specific divisions.

Professional Positions at Loop

Our remarkably low employee turnover is a testament to our culture: we hire carefully based on experience, a willingness to collaborate with colleagues across platforms, and a commitment to putting client needs first. It is an intimate, unique culture that cultivates dynamic interaction, new ideas and an entrepreneurial spirit.
