

ANTHROPOLOGY

BA | 10 COURSES

PREPARING FOR YOUR FIRST JOB + THE FUTURE OF WORK

IN THIS MAJOR YOU'LL LEARN:

- How to understand, interpret, and navigate cultural diversity and other forms of human difference
- How to conduct qualitative research, including interviewing, participant observation, textual analysis, digital fieldwork, and other ethnographic methods
- Critical thinking skills, including how to interpret and analyze the symbols, narratives, structures, and values of diverse societies
- How to think and analyze problems holistically and how to apply theoretical and conceptual tools towards understanding complex social phenomena in the real world
- Write clear, well-organized essays based on original research and analysis
- Present your ideas and research findings through oral presentations and in other media formats

And so much more! Faculty and advisors are here to help you get the most out of your program and how it may apply to different career paths
