IN THIS MAJOR YOU’LL LEARN TO:

- Develop skills that are both technical and aesthetic that includes cinematography, non-linear editing, sound, lighting, and writing.
- Practice skills in both narrative and non-narrative modes of filmmaking that engage critically and creatively with cinematic conventions.
- Encourage a broad training in the aesthetic and technological of film and media, with consistent attention to the social and cultural contexts in which it unfolds.

And so much more! Faculty and advisors are here to help you get the most out of your program and how it may apply to different career paths.
