

IN THIS MAJOR YOU'LL LEARN TO:

- Gain a broad understanding of literature, culture, history, philosophy, art and architecture of ancient Greece and Rome.
- Become proficient in at least one of the Classical languages: Greek or Latin.
- Develop the skills and knowledge needed to analyze and interpret evidence from the ancient world, including particular texts.
- Present and defend their interpretations of the ancient evidence in clear well written prose.

And so much more! Faculty and advisors are here to help you get the most out of your program and how it may apply to different career paths
