

IN THIS MAJOR YOU'LL LEARN TO:

- Interpret, analyze, & evaluate texts & media that concern the changing cultural, economic, political, & psychological relations among people of all genders & sexualities, & develop an awareness of various perspectives & intersectionality.
- Write clear, concise, logical, & well-organized analyses based on original empirical research, & analytical essays on theories & topics in gender, sexuality, & women's studies.
- Demonstrate a solid grasp of the history, theories, & methods of gender, sexuality, & women's studies & understand its interdisciplinary nature.
- Articulate your ideas & thoughts convincingly, clearly, & in ways that take the lived experiences of others into consideration.
- Explore various forms of gender & sexuality studies to better understand how they shape the world that we're in & our understanding of it.
- Apply various approaches & theories related to gender & sexuality studies to critique societal inequities & injustices.

And so much more! Faculty and advisors are here to help you get the most out of your program and how it may apply to different career paths.

WHERE GENDER, SEXUALITY, & WOMEN'S STUDIES MAJORS END UP
