

PUT YOUR BEST FOOT FORWARD

RESUME AND COVER LETTER WRITING Prepare your resume NOW and it will be ready to tweak for applications to internships. During the workshop, the Knowlton Center will provide you with all the information you need to start strong and then you will be ready to work on building (or improving) your own documents. Don't forget to bring your laptop and a friend or two.

TALK ABOUT ATHLETICS IN YOUR SEARCH: Denison student athletes build high-demand transferable skills that any internship recruiter would be interested in. But, it doesn't matter how many skills you have if you can't highlight them effectively. This session will help you take all of the skills you build through your athletics experience and translate them into strong resume bullets, cover letter examples, and interview answers.

FIND OPPORTUNITIES

Search Strategically and Decode Internship Postings: This session will address the questions that nearly all internship searchers have. How should I approach my internship search? How do I find opportunities that fit me and my experiences? How do I know if I'm qualified for this internship? You will leave with a better understanding of how to effectively search, key search resources and how to use them, as well as how to break down and decipher an internship description to determine if you are a good candidate.

Diversity and Inclusion Internship Programs: Many organizations are interested in recruiting students from diverse backgrounds and cultural experiences. You'll sometimes see these programs specifically mention diversity, specific identities, or they may simply be listed as "Leadership Programs." We'll go over the benefits of these programs, how they differ from standard internships, and how to determine if the employer is "walking the walk" when it comes to creating supportive and inclusive spaces for their interns.
