

# Leadership connect

**Leadership Connect is an invaluable resource for universities, providing access to detailed contact information and profiles of key decision-makers across U.S. government, business, and nonprofit sectors.**

Leadership Connect delivers unparalleled insights into leaders within government agencies, Congress, Fortune 500 companies, law firms, and nonprofit organizations. Our data is meticulously curated through "human-to-human" verification, ensuring the highest standards of accuracy and integrity.

Beyond individual networking, Leadership Connect supports public policy influence, development, and career advancement, helping you make meaningful connections and achieve your goals.

## Engage Government Leaders & Agencies

- ✔ **Advocacy and Public Policy:** Connect with government executives to support institutional advocacy, funding for programs, and research initiatives. Leadership Connect helps you identify the right decision-makers, streamline outreach, and stay updated on personnel changes, ensuring you're always prepared to influence policy effectively.
- ✔ **Development:** Leverage relationships with influential alumni and target audiences to fundraise, promote advanced degrees, and grow executive education enrollment through tailored marketing efforts.
- ✔ **Career Services:** Enhance your career prospects by using Leadership Connect to secure internships, clerkships, and full-time roles with organizations that align with your goals.
- ✔ **Research:** Access data-driven tools that simplify original research for students, faculty, and staff, whether you're exploring legislative trends or examining organizational networks.
- ✔ **Strategic Outreach:** From the President's Office to career services, Leadership Connect streamlines outreach efforts. Its simple interface, stakeholder mapping, and tracking tools ensure that your time is spent building relationships, not managing outdated lists.

**45,000+**  
people rely on  
us to make  
**better & faster**  
decisions.
