

Leadership connect

Leadership Connect is an invaluable resource for law students, providing access to detailed contact information and profiles of key decision-makers across U.S. government, business, and nonprofit sectors.

Leadership Connect delivers unparalleled insights into leaders within government agencies, Congress, Fortune 500 companies, law firms, and nonprofit organizations. Our data is meticulously curated through "human-to-human" verification, ensuring the highest standards of accuracy and integrity.

Beyond individual networking, Leadership Connect supports public policy influence, development, and career advancement, helping you make meaningful connections and achieve your goals.

How Leadership Connect Helps Law Students

- ✓ **Internships and Careers:** Identify and connect with organizations for internships, externships, clerkships, and full-time roles post-graduation.
- ✓ **Career Path Inspiration:** Explore executive bios to envision potential career trajectories and plan steps to achieve your goals.
- ✓ **Alumni Networking:** Locate and engage with alumni for mentorship, guidance, and career opportunities.
- ✓ **Employer Connections:** Build relationships with potential employers seeking law graduates.
- ✓ **Interview Preparation:** Use detailed government organizational charts to navigate complex structures and excel in interviews with state and federal employers.
- ✓ **Research Simplified:** Access powerful tools to explore legislative trends, analyze organizational networks, and conduct original research.
- ✓ **Streamlined Outreach:** Career services and administrative offices benefit from user-friendly stakeholder mapping and tracking tools to enhance student support efforts.
