WORK EXPERIENCE

Major Chinese Bank, Johannesburg Branch **Sandton, South Africa**
Credit Analyst *Jun. 2025 – Aug. 2025*

- Prepared for presentation with major client's product strategists by analyzing the performance of China's interbank government bond market since its internationalization
- Extrapolated data from target company financials to assist othe creation of due diligence, feasibility, risk analysis, and valuation reports
- Shadowed the Corporate Banking Department on evaluation of group loan qualification

Major Chinese NGO **Johannesburg, South Africa**
Private Equity Intern *Jun. 2024 – Aug. 2024*

- Assisted portfolio companies in short and long-term growth strategies, specializing in product diversification and foreign market entry

Secondment to China Communications Construction Company (CCCC)

- Closely researched South African construction market, recommending CCCC acquire Concur Holdings to expand its presence in the local civil engineering market
- Suggested CCCC form JV partnerships with road construction companies both from China and South Africa to diversify its service and enhance collective bidding competitiveness for the Eb Highway project
- Proposed plan to upgrade CCCC's Broad-Based Black Economic Empowerment (BBBEE) rating through JV partnerships with more highly rated local competitors

LEADERSHIP & COMMUNITY INVOLVEMENT

Vice President of Events, Emory Economics Review *Jun. 2023 – Jul. 2025*

- Initiated the Environmental, Social, and Corporate Governance (ESG) Mentorship program, pairing 20 students to alumni in working in ESG sectors
- Secured financial sponsorship of the society from the Economics department, making the club a focal point between students, alumni, and the department
- Led a team of 10 to plan, strategize, and operate a virtual Data Science conference, with more than 500 students, alumni, faculty, and industry representatives attending

Peachtree Minority Venture Fund
Investment Analyst *Sep. 2024– Present*

- Conducted market research, due diligence, and background checks on the potential investments of firms founded exclusively by Black, LatinX, and Native American entrepreneurs
- Met weekly with small team consisting of undergrads & MBAs with focus on energy, ESG, and utility startups
- Presented potential deals in monthly fund meeting for initial investments ranging from $5,000 to $25,000
- Developed thorough understanding of the venture capital landscape and the hardships faced by minority founders
