## QUINNIPIAC UNIVERSITY – COLLEGE OF ARTS & SCIENCES Proposal for Independent Study

Independent studies allow a student to undertake a unique course of study in place of an *elective* course. Independent studies will only be granted in situations where a truly unique course of study is proposed and it can be shown that the independent study will be of greater educational value to the student in lieu of an available elective course. Independent studies will only be provided by faculty with established knowledge and expertise in the proposed area of study.
