

## Exploring Science - Undeclared

Course selection guide ~ Fall 2023

*All students will register for the following courses unless otherwise notified.*

	Information on course selection/requirements	Course	# of credits
<b>First Year Seminar Requirement</b>	Choose a section of FYS101 with a topic that interests you.	FYS101	3
<b>English*</b>	When you completed the English placement process, you self-selected either EN 101 or EN 101I. If you have forgotten which you chose, look in Self-Service under Test Summary. A score of 3 = EN 101I; 4 = EN 101	EN101 or EN101I	3
<b>Math*</b>	Take one course based on your placement test results	Score of 5: MA 141 Score of 3 or 4: MA 140 Score of 2: MA 107 Score of 1: MA 100	3
<b>Courses in your major</b>	General Biology & Lab OR General Chemistry I and Lab (math placement score of 3 required)	BIO 101/101L OR CHE110/110L	4
<b>Courses outside your major</b>	Use the <a href="#">resources on CAS360</a> to find a course that interests you	Your choice	3
<b>Total # of credits</b>			<b>16</b>

\*English, math, and foreign language placement tests must be completed at least 7 days prior to attending orientation in order to complete your fall registration. This holds even if you are expecting transfer or AP credit and even if you are not planning to take foreign language in the fall. [Learn more about placement tests.](#)

### Advising

As an undeclared student interested in the sciences, your advisor will be Jennifer Cruz, assistant teaching professor of Chemistry ([Jennifer.Cruz@quinnipiac.edu](mailto:Jennifer.Cruz@quinnipiac.edu)). If you have questions over the summer, you can contact Dr. Cruz.
