

ASK AN EMPLOYER

PROFESSIONAL DEVELOPMENT RETREAT

Description of PDR

Hosted off-campus, the PDR is a two-day career development initiative designed to build emotional intelligence and strengthen students' skills through problem-solving, conflict resolution, critical observation, and adaptability. This distinctive program illustrates Merrimack College's commitment to its students' success and the impact of the College's network.

Benefits of Attendance

- Access to Merrimack's top talent
- Free branding opportunity
- Helping to build student social capital

Fair

The beginning portion of the Ask an Employer event will conceal your organization's identity from the students. Instead - we encourage you to share qualities of candidates or teammates you look for in new hires.

Employer Reveal

The reveal session will focus on informing students of your organization's identity and opportunities to connect further regarding open positions or other ways to gain social capital.

Revealed Networking

Once your identity has been revealed, you may speak freely with interested student attendees regarding your company.
