

Blackstone 2024 Summer Analyst Opportunities Are Now Live!

Blackstone's Summer Analyst Program is 10-weeks in length and will provide participants broad exposure to the firm. The program offers Summer Analysts various technical training and professional development opportunities, the ability to network with professionals across all business units, and a robust mentorship experience to allow the participants to be fully immersed in the Blackstone culture.

10-Weeks

Technical Training

Networking

Mentorship

To be considered for the 2024 Summer Analyst Program, applicants must meet the following criteria:

- ✓ Currently enrolled as an undergraduate student
- ✓ Anticipated graduation date: Fall 2024 – Spring 2025
- ✓ Resume must include expected graduation month / year and GPA
- ✓ Resume must be in PDF format
