Microsoft

EXPLORExHBCU: Microsoft Explore Internship Program Webinar

Thursday, Nov 9th 3:30PM EST

Attention HBCU freshmen (class of 2027) (graduation date December 2026 - August 2027) and sophomores (class of 2026) (graduation date December 2025 - August 2026)!

Are you an HBCU first-year or second-year university student interested in Software Engineer (SWE) and Program Manager (PM) internship opportunities? Join our University Recruiting team and HBCU Explore alumni to learn about our Microsoft Explore Internship Program. Explore is a 12-week summer internship program specifically designed to help you gain experience in our different software engineering roles. Join to learn more from former Explore HBCU alumni as they share their Explore Internship experience!
