

FIRST & SECOND YEAR STUDENTS

Bloomberg Early Engagement Programs

Choosing where to launch your career isn't always an easy choice. At Bloomberg, we've created programming to help you take the first steps in your career.

First Year Insights

In-Person Kick Off: NYC, April 12

Virtual Monthly Workshops: May - September

This program for first year college students provides invaluable coaching and guidance on skills that are essential for success in the corporate world. Begin building your career toolkit now to tackle interviews, internships and future career opportunities with confidence and ease.

Analytics & Sales Externship

**In-Person: New York OR San Francisco
May 20-23**

Internships are valuable at helping juniors understand if a company is the right match. Bloomberg goes one step further with externships for sophomores, a program that enables a deeper understanding of our company, departments and culture and provides professional development training to prepare you for our internship interviews.
