

CDO Visitor Parking

Ahead of your visit, please request a garage access code from som.recruiting@yale.edu

- Traveling north on Whitney Avenue, turn right into the driveway at the south end of the building, located at 165 Whitney Avenue (Edward P. Evans Hall)
- At the keypad in the right lane, enter the garage access code on the keypad
- Follow the far-right lane down to the Visitor Level (Level B) and park in any available space

(If the metal garage door is down, pull to the left-hand side of the driveway and enter the [pre-provided garage access code](#) on the keypad. The second metal garage door on the left should open, then proceed as above.)

- The visitor entrance is located at the far-left corner of the parking area and is signed "Caulkins Wing – Elevator A"

- Take the elevator to the first floor, turn right as you leave the elevator, and then immediately to your left will be an entrance door to Evans Hall
- Follow the hallway to the end, turn left and follow to the end; the Career Development Office will be on your right
- When driving out of the garage enter the same garage code, followed by the pound sign, to raise the gate arm
- If you have difficulty entering the garage or building, please call 203-432-6000
