

# 10 Days of Connections *with* Yale SOM

November 27 - December 8, 2023

## What:

A final fall semester push of brand building and candidate attraction before final exams. Virtual or on campus, we recommend no formal presentations to keep the focus on making connections!

## Who:

Employers from all industries with active hiring needs

Students from all degree programs, seeking both full-time and internship opportunities

## How:

Connecting with students is as easy as 1, 2, 3...

### 1. Choose a format

#### Ask Me Anything (AMA)

30-45 minutes free of presentations but full of opportunities for students ask questions about your organization, hiring process, etc in a group setting

#### Open Hours

Set aside 30-60 minutes for students drop in ad-hoc to connect 1:1

#### Coffee Chats

Students pre-register for 15-20 minute slots to connect with you for informational-type discussion in a 1:1 or 2:1 setting

### 2. Choose a date & time

**Dates:** November 27 - December 8

**Times:** AMA/Open Hours - 11:45-12:45 | Coffee Chats - open scheduling, consider overlapping part/all of the 11:30-1 lunch window

*If your organization or role is social impact related, target 11/27-12/1 to avoid student-organized Social Impact Week events 12/4-12/8*
