Post a Job

Sharing a job description with Yale School of Management students and alumni is easy as 1, 2, 3!

Posting is free, easy, and the first step in building a recruiting brand with the Yale SOM community.

1

Create a free employer account in 12Twenty, our career management system, by visiting som-yale.12twenty.com/hire

2

Click 'Post a Job' and add all of the details, including job description, location, application instructions and deadline, work authorization requirements, and job contact.

3

Visit [our website](#) for the Recruiting Calendar, Recruiting Policies, SOMPost newsletter & more!

Beyond the Job Posting

Identify Yale SOM students who match your hiring needs by using the resume books in 12Twenty.

- Filter by degree, experience, desired industry/function, work authorization and more.
- Reach out directly to invite any students of interest to connect/apply.

Explore upcoming networking events or register to host your own.

- Access the 'Events' tab in 12Twenty to review upcoming multi-employer opportunities to connect with students.
- Click '+ Host an Event' to submit a Coffee Chat or Employer Event request.
- Connect with your [Employer Partnerships Manager](#) to strategize on the best approach to connecting with your target audience.
