

## **RECRUIT AN AUGGIE**

Looking to recruit some of the best talent in Minnesota? Hire an Auggie. Augsburg is a vibrant and diverse learning community, intentionally reflective of a complex, interconnected world. We believe our curriculum, diverse student body, and inclusive campus environment, grounded in a strong liberal arts foundation, promotes the development of intellectual and professional skills that prepare our students to work in your organization.

There are many mutual benefits for employers and Augsburg University when employer-college partnerships are developed and maintained. Our goal is to assist you in meeting your recruiting efforts while helping our students and alumni pursue meaningful career paths that meet their interests, qualifications, and values.

## **HOST A TABLE**

Employers are invited to schedule a “walk-by” table in our student union to promote your internships and part-time jobs. We encourage employers to bring branded tablecloths and swag!

Tabling is offered Monday-Thursday 10:00am-1:00pm during the academic year. To learn more and reserve a table email [careers@augsborg.edu](mailto:careers@augsborg.edu)

## **JOB FAIRS**

If you are hosting career fairs or other events, please remember to invite Augsburg University students through Handshake. Once approved in Handshake we will advertise your external career events with the Augsburg community.

In addition, Augsburg University collaborates with the Minnesota Private College Consortium on four fairs annually: Fall Virtual Recruiting Fair, Government & Non-Profit Virtual Fair, Spring Internship and Career Fair and the Minnesota Education Career Fair.

## **CAMPUS VISITS**

In addition to tabling, our career center will work with employers on unique ways to recruit students for your opportunities. We offer informational presentations with student organization groups, on-campus or virtual interviews, resume reviews, and more.

To discuss further ways to recruit our students, please contact [Sandy Tilton](#), Employer Relations & Internship Associate.
