- 3-5 bullet points here
- These bullets should start with relevant action words such as “Helped, Promoted, Completed, Assisted, Led, Managed...”
- All of these bullets should discuss the skills you used/gained, what things you did in the job, and numbers included when necessary.
- Example bullet “Assist 100+ students per year from a variety of disciplines and class levels with creating resumes and cover letters”
- Note this bullet begins with an action word, states what I did, and includes a number.
