

# CAREER CLOSET

*The Career Closet is a service provided by the University Career Center. We loan out suits for students to use for Interviews, Career Fairs, or other career related events in which the University Career Center is involved.*

- Only **active students** may check out clothing items from the University Career Center. You must present a valid UTSA ID, contact information, and expected graduation at the time of checkout.
- Items may only be checked out for 7 calendar days.
- Items may not be checked out the final two weeks of the semester.
- Items **MUST be dry-cleaned** by a reputable dry cleaner prior to returning. You must also have a receipt from the dry cleaner and it must be returned in dry-cleaners original packaging.
- Failure to return the checked-out items will result in a financial hold being placed on your account. The hold will remain until all items are returned. Graduating seniors will receive a hold placed on their diploma through the registrar's office.
