STEM Career Fair Checklist
1. Confirm Attendants
   Provide the number of attendees along with their name and email address for each individual to melissa.ramirez@utsa.edu. This allows us to communicate with the representatives should any changes occur. Please note that due to crowd control issues, organizations bringing four or more recruiters at a time are required to register for a Double Booth.

2. Post a Job
   To maximize your exposure to UTSA students, we encourage every employer to post a job at least two weeks before the career fair. If you have not created a job and would like to, please refer to “Post Job Vacancies” under Employer Services on page 6.

3. Meal Accommodations
   Please note that lunch is only provided to recruiters who attend both the STEM and All Majors Career Fair. Please email melissa.ramirez@utsa.edu by Tuesday, February 5 if any meal accommodations are required.

Notes for Career Fair Day
1. The UTSA Career Center is hosting two career fairs on February 19 and ask that if you are NOT staying for both Career Fairs, to please exit the event and garage at the end of the morning event. Please be patient with us as there will be a high volume of employers transitioning during this time. Our office will be closed the day of the fair.
