

**University Career Center
Corporate Partnership
Levels**

A message from the Executive Director:

Thank you for your interest in a corporate partnership with the University Career Center at The University of Texas at San Antonio. By joining this exclusive group of organizations, we offer you a tailored strategy to help you and your organization achieve your recruiting goals.

As a Corporate Partner, we provide:

Strategic Recruiting Alignment

We will conduct an initial and annual assessment to align your recruiting efforts with the appropriate degrees and colleges for the functions and units you are hiring for. Our team has the ability to provide flexibility and customize recruiting efforts to meet your individual needs.

Access to Diversity Recruiting

Recruiting at UTSA means having access to one of the largest Hispanic Serving Institutions (HSI) in the country. 15% of our students are military-affiliated, reflecting strong leadership skills and talent.

Dedicated Account Services

Our team will meet with you periodically to review the status of our agreement, and ensure you are taking full advantage of all the opportunities available to you throughout the year. This will elevate your status and brand on campus.
