#### How can I be successful during my experience?

- 1. Identify what you want to accomplish during your experience. Do you want to gain skills? Knowledge? Review <u>marketable skills</u> that are beneficial for your major.
- 2.Set 2-3 SMART goals and share them with your supervisor.
- 3. Be professional at all times. Confirm attire & communication expectations.
- 4.Express enthusiasm and passion in your work and go the extra mile by volunteering for projects.
- 5. Spend time developing professional relationships with colleagues. Experiences can often lead to additional opportunities within your network.
- 6.Keep track of your activities and accomplishments. Maintain open communication with your supervisor on progress of goals and areas of growth.
- 7. After your experience, *reflect* on what you learned and add it to your resume. What marketable skills did you gain from your experience? How will you use those skills in the future?
- 8. Thank your supervisor for their support and stay in touch with network contacts.

Take time to reflect throughout your experience. Revisit your goals often. This will help you to build on your accomplishments and pivot if needed.
