

EMPLOYER ENGAGEMENT

MENU FOR RECRUITING

INDUSTRY RECRUITMENT EVENTS

Attend an industry-specific recruitment event to engage directly with Emmanuel candidates. These events allow the opportunity for employers and candidates to connect directly in small groups and/or individual conversations.

EMPLOYER PROFILE AND POSTINGS

Engage with candidates online by creating a robust employer profile and posting your internships, full-time, and/or part-time opportunities on our online job board, HireSaints.

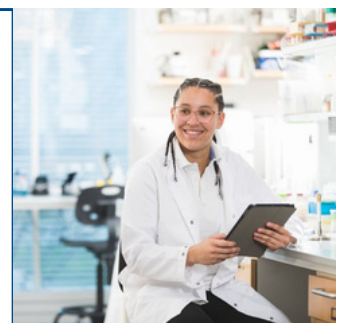

BEYOND RECRUITMENT

Are you interested in sharing your industry/career knowledge with students? There are opportunities to "be the expert" in panels, resume reviews, informational interviews, and/or classroom presentations.

REFERRAL PROGRAM

Share an employer, contact, and/or opportunity in your network with the Employer Engagement Team to give Saints the opportunity to connect within your networks.
