Strategic Recruiting Program 2026 – 2027

The Strategic Recruiting Program partners employers with a cohort of WPI students to strengthen long-term recruitment pipelines through immersive engagement, targeted professional development, and real-world industry exposure.

Mentoring

Students are paired with a professional at your organization to receive general career advice and to learn specifics about the company and industry.

Professional Development & Company Insights

Students attend workshops, seminars, and meetings, on-campus, virtually, and at company facilities to learn about crucial industry topics to enhance skills & career readiness.

Recruiting

Employers gain access to top WPI talent to build a sustainable recruitment pipeline through structured mentoring and targeted professional development that delivers meaningful industry and technical insight.
