CAREERS IN STEM:
A UMass Lowell Career Fair

Employer Directory

Career & Co-op Center
career.uml.edu

@UMLCareerCoop
FINDING YOUR WAY AROUND

• Employers are roughly arranged in alphabetical order. Event sponsors are all on the arena floor.
• Booths 100-128 are on the concourse.
• Booths 201 – 1117 are on the arena floor.
• Refreshments are available in Student Hospitality across from section 111 on the concourse.
• Restrooms are available on the concourse.

QUICK TIPS

• Shake hands or don't shake hands? This is about preference. It is okay if you don’t shake hands
  when you meet a recruiter.
• Smile! Now that face coverings are optional, your smile is a very welcomed sight.
• Introduce yourself – name, major, class year, what you’re interested in.
• Ask questions to learn about what it’s like to work at the company as well as opportunities.
• If the recruiter represents an area different from your interests, ask to have your resume
  forwarded to the appropriate person.
• Remember each recruiter’s name. Write it down or ask for a business card.
• After the career fair, send a thank you email to the people you met, especially those you are
  most interested in.
• Invite the recruiters you met to join your network on LinkedIn. Don’t just click connect. Add a
  note to your message to remind them where they met you.
• Sample LinkedIn note – Thank you for speaking with me at UMass Lowell’s career fair. I’m
  very interested in the opportunities at your company. Would you mind if we connected on
  LinkedIn?

NEED HELP?

Talk with a career advisor in Student Hospitality across from section 111 on the concourse.

GOOD LUCK & ENJOY YOURSELF!

Career & Co-op Center, UMass Lowell
University Crossing, Suite 450
