

VISION

AN ENGAGING COMMUNITY *of* ADVOCATES PREPARING

EVERY STUDENT

FOR A LIFETIME *of* MEANINGFUL WORK

MISSION

We exist to empower every Arts + Sciences student to turn their diverse talents and passions into successful and rewarding careers. Through a community-centered approach, we develop meaningful connections and deliver expert guidance that create opportunities for students to successfully engage with employers, industry experts, and alumni.

We believe that career development is a fundamental component of an Arts + Sciences education. As a team, we relentlessly pursue innovation and excellence to be national leaders in the provision of career services.

VALUES

- authentically honor all identities
- foster dynamic partnerships
- actively serve the under-served
- be mind-blowingly efficient
(and home for dinner)
- stay student centered
- be effective, fun and a little weird
- pursue creative solutions
- never stop learning
- be passionate, and do great work

Core Programs and Services

Undergraduate Student Career Coaching

We encourage all undergraduate students to begin meeting with their career coach as soon as they declare a major in the College. Our coaches help students connect the dots between study in the College and successful pursuit of meaningful work.

Contact: Andrea White: whiteanm@iu.edu

Graduate Student Career Coaching

Coaching services available to help all graduate students studying in the College navigate choosing a career in industry or academia, marketing themselves to employers successfully, translating academic skills to industry and more.

Career Courses

The Walter Center offers a variety of career courses for undergraduate students covering topics including career exploration, job and internship search strategies, successfully articulating the value of a liberal arts degree, and gaining academic credit for an internship.

Senior Career Coach Angela Lexmond coaches a student in the solarium at the Indiana Memorial Union before the 2019 Fall Career + Internship Fair.

Internship-for-Credit Administrative Support

The Walter Center supports departments interested in providing academic credit for student internships by managing a student application and employer vetting process to help departments ensure the internships students pursue are valid and worthy of academic credit. This process also maintains detailed records of internship site hosts and supervisors for departments that can be accessed for departmental reporting purposes.

Contact: Tanner Terrell: terrellt@iu.edu

Internship Scholarships

Each semester the Walter Center awards scholarship money to undergraduate and graduate students to support their pursuit of internship opportunities. Awards range from \$500 - \$3,000 dollars and can be used by students to offset travel, housing, or other costs associated with pursuing an internship.

Connect Event Series

A conference-style event that enables students to engage with noteworthy College alumni from diverse majors and industries on topics relevant to the 21st-century workplace. We'd love to partner with you to bring your department's alumni to campus for this event.

Contact: Amy Cornell: acornell@iu.edu

Liberal Arts Impact Event Series

A department-specific event that brings together faculty and alumni to pitch the value of the major across job sectors in an increasingly unpredictable future of work. We'd love to collaborate with your department to create a LIA event. Please contact us if you're interested.

Contact: Amy Cornell: acornell@iu.edu

Walter Center Website

Home to the Center's career communities, our website communicates the success of College students through robust outcome visualization tools while also seamlessly connecting students to online career support tools and multiple avenues that allow them to stay connected and up-to-date with the Center's programs and services.

Contact: Amy Cornell: acornell@iu.edu

Industry-focused Career Fairs and alumni networking events

With casual networking events the night before, tailored Career Fairs and alumni networking events allow students to interact with recruiters and alumni relevant to their passions in a more comfortable setting.

Contact: Will Reed: wcreed@iu.edu

Career Treks

The opportunity to network with College alumni in their work environment across industries in multiple U.S. cities.
