## TEACHING EXPERIENCE

---

### Student Teacher

PK Yonge Developmental Research School

August 202X – Present  
Gainesville, FL

- Assist in the development and implementation of daily lesson plans under the guidance of the lead teacher by incorporating varied instructional strategies to address diverse learning styles
- Provide individualized support to 17 students, including those with special needs, resulting in a personalized and inclusive classroom experience for students
- Successfully manage classroom activities to maintain a positive and structured environment conducive to effective learning and student engagement

### Student Teacher: First Grade English Language Learners Immersion Classroom

Edison K-2 School

April 202X – June 202X  
Tampa, FL

- Redesigned classroom activities under the Sheltered English Instruction model to benefit students of varied English language abilities and varied first languages, such as Arabic, Spanish, and Mandarin
- Crafted intentional lesson plans and taught formal lessons in the subject areas of reading, writing, and math with the group of English Language Learners in mind to maximize success of all students in the classroom
- Supervised small group activities and technology projects to ensure students stayed on task and displayed appropriate behavior, providing encouragement and taking disciplinary action when necessary

### Summer Camp Counselor

Camp Sunrise

June 202X – August 202X  
Boone, NC

- Cultivated engaging learning environment for 30 students aged 6-12 in daily education program to address education gaps
- Maintained student records and communicated with family members utilizing Excel spreadsheets and ClassDojo for 30 students to aid in tracking behavior trends
- Collaborated in supporting 5 educational programs to create meaningful experiences for campers, resulting in an increase in overall camper engagement

## LEADERSHIP EXPERIENCE

---

### Resident Assistant

University of Florida: Office of Residential Life

August 202X – Present  
Gainesville, FL

- Oversees 34 residents in a first-year residence hall, directing students in need to appropriate campus resources and guiding all residents through the transition from high school to college
- Coordinates and leads 20 programs per academic year, amounting to 40 programs total, to foster community on the floor and familiarity with campus organizations and services
