Spring 2024 Opportunities to Engage With USF Bulls

USF Career Fairs (In-Person)

Our career fairs offer the opportunity to recruit for full-time and internship positions in various disciplines and functional roles across a variety of industries. This is also a great opportunity for universities and colleges to recruit for their graduate and professional school programs.

Employer Branding & Targeted Engagement

Company Days

Spend a day on campus and host various events for students throughout the day, such as keynote speakers, USF alumni panels, lunch with student organizations, mock interviews, etc.

Lunch & Learns

Host a one-hour lunch session focused on career advice or education-based topics at our library on Mondays or Wednesdays at 1:00 p.m. ET. This is great for branding, and these events are often well-attended by students!

On-Campus Interviews

Interview Suites are available any day of the week from 9:00 a.m. - 5:00 p.m. We have typical interview rooms as well as small conference rooms. These are great to host after a career fair or any company-specific event, to maintain momentum with your top candidates.

Fireside Chats (In-Person & Virtual)

Have a senior USF alumnus within your organization visit with students informally in a Q&A style with the Industry-to-Campus Connections team to share the impact USF education has made on this individual.

Company Showcase (In-Person & Virtual)

Host a "Corporate Presentation" to chat about your organization, roles available, recruiting process, etc.
