

2014-2015 ALUMNI SURVEY FIRST DESTINATION DATA

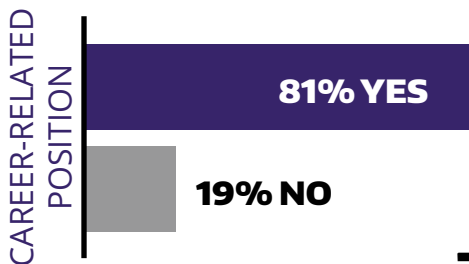

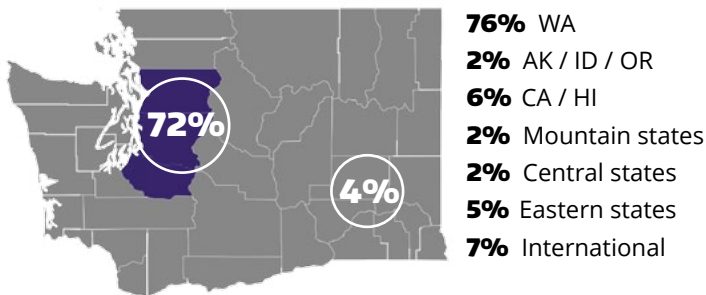

Each year, the Office of Educational Assessment, in coordination with the Career & Internship Center, follows up with new alumni of UW undergraduate programs 6 months after graduation to identify their current employment status. Of the 7,238 UW-Seattle graduates surveyed, there was a **30% response rate** with **2,184 alumni** sharing their current status.

EMPLOYMENT
