

LEVEL UP: SKILL REFLECTION

GRADUATE STUDENT EDITION

EMPLOYERS WHO HIRE UW GRADUATES have identified a few core skills that are critical to students' success in the job search and in the workplace. There are various ways where one can develop these skills, such as:

Academics

- Course projects
- Lab/Field work
- Data collection
- Grant/Fellowship funding
- Class presentations

Activities

- Leadership Roles (on/off campus)
- Published articles
- Think pieces
- Extracurricular activites
- Non-academic public presentations

Experience

- Volunteer roles
- On/off campus jobs
- Internships
- Practicums

NOTE – This list is not exhaustive! There are endless ways to develop skills!

Review the skills below and reflect on any past experiences where you may have demonstrated that skill. Then think of ways that you will continue to develop that skill in the future.

INITIATIVE

to contribute. Be present and productive.	i
