University of Washington Career & Internship Center

Mission: We equip Huskies to integrate their holistic UW experience and create boundless futures.

Vision: Every Husky will graduate with the skills, experience, professional connections, and academic knowledge to pursue careers that lead to personal fulfillment, financial wellness, positive contributions to workplaces and communities, and continued engagement with the UW family.

<tr>
<td>Our mission is big! Accomplishing it requires buy-in and involvement from a wide range of stakeholders inside and outside the university, and attention to the evolving climate and culture of the UW experience.</td>
<td>We strive to provide equitable access to career-building experiences and inclusive post-graduate opportunities, thereby helping dismantle inequitable career and earnings trajectories.</td>
<td>We create career-building experiences for students and teach them how to build the experience, skills and relationships that will propel them towards future success.</td>
<td>We demonstrate the impact of the UW experience through individual student career outcomes and a campus culture that supports personal discovery and career-readiness.</td>

## How We Do Our Work

### People

In our relationships we commit to being:

- Authentic & vulnerable
- Curious & humble
- Compassionate & caring
- Inclusive & trusting
- Dependable & trustworthy
- Willing to give & receive feedback
- Excited to learn & evolve
- Adaptable & responsive
- Positive & energy-giving
- Communicative & transparent
- Attentive & appreciative
- Self-reflective & accountable
- Proactively helpful & solution-focused

### Process

We can best achieve our goals if we:

- Focus on intentional relationship-building
- Experiment and take risks
- Assess the quality and impact of our work
- Use data to inform practice
- Scale our efforts through technology
- Operate efficiently
- Stay committed to the long game
- Tend to our own wellness
- Generate revenue to support initiatives
- Stay accountable for expanding knowledge about, and advocacy for, diverse students
- Stay attuned to the evolving UW ecosystem
Our work is guided by research on high-impact educational practices and efficacious career-interventions, which prompts us to:

- Empower students to build/maximize relationships
- Expose students to industries, careers, employers, workplaces, and “successful” near peers
- Encourage students to test skills and get feedback through internships and other co-curricular activities
- Teach students the concrete skills necessary to make decisions, search for jobs, and professionally but authentically present oneself
- Provide students with tools to intentionally reflect on their core selves and their activities
- Help students plan next steps using written exercises
