Student Testimonials:

"This was the best thing I could have signed up for. Throughout my time with my mentor, I was able to grow and develop my professional skills as a new graduate entering the workforce. I will be forever grateful for the skills that I was able to learn and the networking through this opportunity."

"Though I had already had an interest in this career field, getting to learn about other options within the industry and in more depth really helped me narrow down what exactly I wanted to look for when job searching. My mentor was amazing at answering questions and even helped me interview prep the night before (I got the position!). I really hope to keep in touch with my mentor going forward."

"I really enjoyed this program. It helped me better understand the corporate hiring process, how to network with people, and broaden my career interests."

"It was a great opportunity to have a look into the tech field, and would recommend highly to anyone looking to break in. My mentor was wonderful, and the learning was in depth and new in many ways."
