Your Roadmap to Career Success!
Follow these 4 Essential Milestones

1. Explore Your Options
   - Discover majors and career paths that align with your interest and personality. Complete the Focus2 online self-assessment.
   - Start connecting with mentors and learn more about career paths. Find a mentor via SJSU² Mentoring & Meetups and conduct informational interviews.
   - Jumpstart your career experience by finding on-campus and work study positions posted in Handshake.
   - Attend the Career Carnival*

2. Identify Your Skills
   - Match your skills to target positions and identify what else you need by using the Skills Gap Analysis handout.
   - Showcase your skills using the VMock platform to perfect your resume and upload it to Handshake.
   - Start networking and build experience by joining Recognized Student Organizations.
   - Attend the Leadership & Career Conference*

3. Build Your Experience
   - Apply to opportunities! Log in to Handshake and complete your career interest survey to customize your job and internship feed.
   - Develop new skills using LinkedIn Learning.
   - Start completing your Career Plan Checklist to ensure you are on track to meet your career goals.
   - Attend job & internship fairs*

4. Launch Your Career
   - Apply to positions 3-9 months before graduation or review graduate school options.
   - Practice interviewing with the Big Interview online platform.
   - Finalize your Career Plan Checklist and confirm your progress with a career counselor.
   - Attend employer connection events* (on and off campus).
   - Attend the New Grad Career Bootcamp*
