CAREER FAIR TIPS

BEFORE CAREER FAIR

- Clean, pressed business suit or professional dress
- Neat, well-groomed hair and nails
- Polished dress shoes

Create a Winning Resume
Research Companies Attending
Enhance Your Job-search Skills
Have Your Elevator Pitch Ready

DURING CAREER FAIR

- Prepare to be personable; smile and have a firm handshake
- Work your way from the bottom of your company list to the top
- Ask for contact information (business cards, emails)
- Be professional and thank employers for their time after speaking with them
- Take note of the employers you speak to so you can follow up later with any additional details

AFTER CAREER FAIR

- Follow up with employers and send thank-you emails/messages
- Add employer contacts to your LinkedIn account and follow companies
- Create an Excel sheet of companies, positions, titles, dates applied, and follow-ups
