

VMock Interviews

How-To Guide

Interviews can be intimidating and nerve-wracking, but with the right preparation and practice, you can feel confident and prepared for any interview. Here on VMock, we offer two resources to help you improve your interview skills: VMock's Elevator Pitch and Mock Interviews

ELEVATOR PITCH

KEY BENEFITS

NON-VERBAL

Focuses on your body language & provides insights to create a better visual impact on the recruiters

DELIVERY OF SPEECH

Analyzes speech on certain audio parameters & provides feedback symbolizing confidence in interview speech

CONTENT STRENGTH

Evaluates the content to check the structure and presence of necessary elements in the interview response

SALIENT FEATURES

- ▶ Get instant feedback on your interview basis your body language, diction and content, which is holistic and not subjective.
- ▶ Watch your interview and get time aligned feedbacks. It is easier to improve if you can watch and hear your interview performance along with the feedback.
- ▶ No interview scheduling hassles, no geographical and time constraints. Practice your interview whenever you want, wherever you want. Just practice!

GETTING STARTED

Follow these steps to access Elevator Pitch:

- Go to www.vmock.com/fiucareer
- Once registered, the platform will redirect you to the user dashboard.
- Select Interviews from the left navigation menu and click on Elevator Pitch.
- Follow the instructions and get the calibration done.
- After the interview, you can view the detailed feedback and video summary of your performance.
- Understand the steps to overall improvements in the summary section to take your interview to the next level.
- Go through the know more and next steps in detailed feedback section.
- Incorporate the overall feedback in your next interview. You can also share your video to your career coach and peers for the Network Feedback.

MOCK INTERVIEWS

KEY BENEFITS

NON-VERBAL

Focuses on your body language & provides insights to create a better visual impact on the recruiters

DELIVERY OF SPEECH

Analyzes speech on certain audio parameters & provides feedback symbolizing confidence in interview speech

CONTENT STRENGTH

Evaluates the content to check the structure and presence of necessary elements in the interview response

SALIENT FEATURES

- ▶ VMock's Mock Interviews platform provides built-in mock interview sets for career tracks for students to practice.
- ▶ Students can create their own custom mock interview from the question library section on the platform or ask their peers and coaches to create one.
- ▶ Students can attempt assessments floated by career coaches and receive AI feedback. On the other hand, career coaches can verify the submissions and add their own feedback to the interviews.

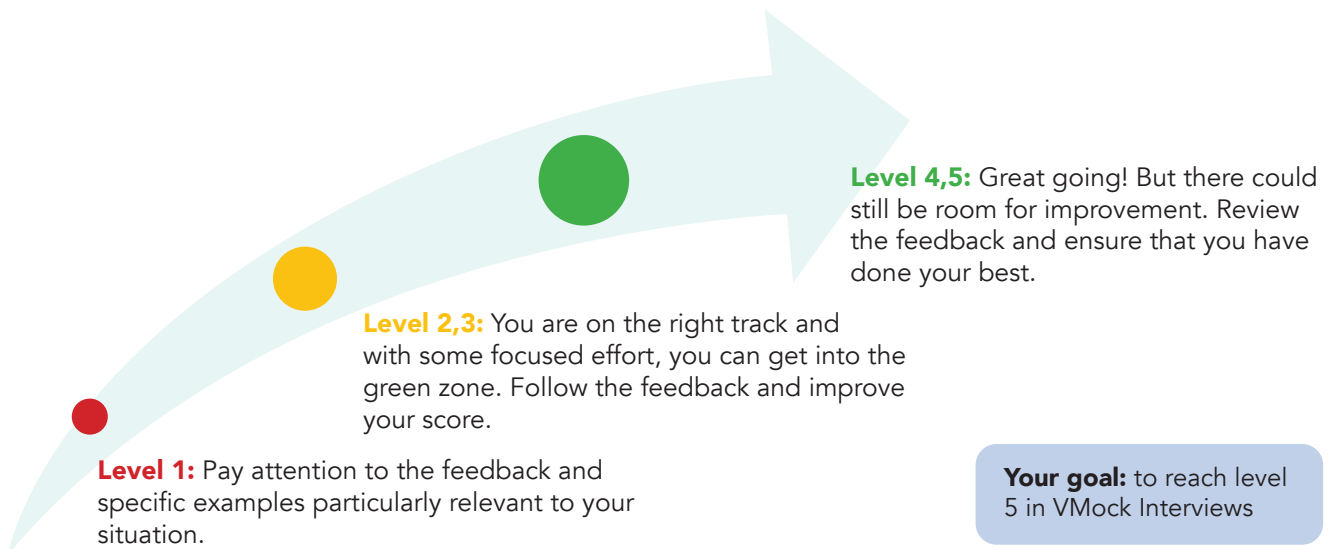

GET STARTED

- Select Interviews from the left navigation menu and click on Mock Interviews.
- Select up to 3 career preferences from the list of careers and get started.
- You would get Mock Interviews for different career tracks associated with the chosen preferences with various difficulty levels.
- You can also upload your resume to get mock interviews as per system recommendations as per your resume.
- You can create mock interview by yourself or ask your peers and coaches to create an interview for you.
- You can also attempt mock interviews shared with you in the form of assessments by your career center.
- Understand the steps to overall improvements in the summary section to take your interview to the next level.
- Go through the know more and next steps in detailed feedback section.
- Incorporate the overall feedback in your next interview. You can also share your video to your career coach and peers for the Network Feedback.
- You can also upload your resume to get mock interviews as per system recommendations as per your resume.

You will be all SET to unlock your potential in real-life interviews!

VMOCK TARGETED FEEDBACK

Your Goal – achieve all the objectives till level 5

Note: In case you have any trouble using the system, reach out to us at support@vmock.com
