popularity!

STRATEGIC PARTNERSHIPS:

Career & Grad School Fair Highlights

54 employers (a 35% increase)
40 Grad/Professional Programs (a 25% increase)
260 students, (a 30% increase)

Internship and Summer Job Fair Highlights

67 employers (a 28.85% increase)
206 students (a 15.73% increase)

STUDENT TESTIMONIALS:

I LIKED HOW
INDIVIDUALIZED THE
APPROACH IS. I FELT
LIKE HE WAS ABLE
TO ADDRESS MY
SPECIFIC CONCERNS
WELL.

I felt that they listened to me, helped
me to realize strengths that I had
overlooked, made me feel supported,
and were enthusiastic about helping me
figure out what type of career
I would like to pursue.

She helped give me concrete
short-term goals for the upcoming
break period as well as longer-term
for when we return in the spring. She
also was able to dissuade some
of the anxieties I've been experiencing
with the process of major and
job search.

VERY
ENCOURAGING!
I FEEL LIKE
I HAVE SOMEONE
IN MY CORNER.

BISHOP LAUNCH PROGRAM

Students are paired with a Career Coach who helps them:

Develop a resume

Conduct a mock interview

Facilitate a series of workshops where students
develop the skills to become

COMPETENT, CONFIDENT, and COMPETITIVE
job and internship seekers.

Career Ambassador Program

8 student leaders provide student insights,
marketing, and special project coordination.
In 2022, Career Ambassadors completed
200+ hours of direct support.
