METHODOLOGY

Data were collected for a 15-month period beginning August 2022 and ending November 2023.

This report includes Calvin University graduates from August 2022 through May 2023. The statistics in this report are based on information received through multiple sources, including the following reporting methods:

- Senior Class First Destination Survey
- Faculty and staff reporting
- Email communication
- LinkedIn
- National Clearinghouse Data

Internship information was obtained from graduate surveys and the Career Center’s college-wide internship database.

HIGHLIGHTS

- 74.0% knowledge rate (percent of class from which data were received)
- 83.3% had at least one internship/practicum while at Calvin
- 72.6% are employed while 25.4% are in graduate school
- 64.6% reported residing in Michigan and 96.9% in the United States
