

LEAD THE FUTURE OF HEALTH CARE.

The importance of the health care sector is growing and so is the demand for highly trained business leaders who can successfully navigate this rapidly changing industry. Miami Herbert's Master of Health Administration program is uniquely designed to equip young professionals with the skills they need to tackle business challenges in the health care space, differentiate themselves from their competition and ultimately assume key leadership roles where they can drive impact.

#YourTomorrowStartsHere

IS THE MASTER OF HEALTH ADMINISTRATION RIGHT FOR YOU?

You have taken the GMAT.*

You aspire to make a difference in the health care sector.

You are an early-in-career to mid-level professional seeking leadership advancement.

*waivers granted on a case-by-case basis.

THE MIAMI ADVANTAGE.

#20

Ranked a Top 20 Best Health Care Management Program in 2019 by US News & World Report.

The program is accredited by the Association to Advance Collegiate Schools of Business and the Commission on Accreditation of Health Care Management Education.

45,000+

Join a network of over 45,000+ alumni and gain access to increased internship and employment opportunities.

WHAT'S IN IT FOR YOU?

Learn from faculty who are active researchers, clinicians and consultants in the health care field, including two former Secretaries of the Department of Health and Human Services.

Start your Champion Certification in Six Sigma, a process improvement strategy successfully used in health care organizations around the world.

Broaden your perspectives alongside a diverse group of students that is 75% female, 30-40% Hispanic and 20-25% African American.

CHANGE YOUR CAREER WITH A GAME-CHANGING PROGRAM.

- Gain invaluable skills with an academically rigorous curriculum that is 30-40% quant focused.
- Unlike other MHA programs, ours is housed in the business school, ensuring students develop a strong business foundation taught through a health care lens.
- Though our program is designed for full-time students (18 months), students can finish in 12 months via an accelerated schedule, or part time if currently employed at the university.
