Fidelity's Diverse Insights Program

The Diverse Insights Program provides students with tangible, resume-enhancing skills, networking opportunities, and interactive workshops to assist with discovering a path in financial services.

This program is open to all first- and second-year students enrolled in a college or university. The intention is to enhance Fidelity's relationships with students in the Black/LatinX communities.

Accepted students will attend **four hour-long webinars** in March and April, followed by an invitation to **interview for a summer 2026 internship** at Fidelity.
