## How to Overcome JOB SEARCH FATIGUE

Looking for a new job can be exhausting. In a competitive marketplace, dealing with frequent rejections takes its toll on your self-esteem, which in turn impacts your performance in interviews.

To help you overcome and avoid the fatigue that can arise during a job search, we went to the experts for some tips.

### Job Search Fatigue is a Very Real Problem

One in five Americans who have been unemployed for a year or more say they currently have or are being treated for depression.<sup>1</sup>

Long-term unemployed people of all ages are more likely to be **obese, have diabetes or asthma**, according to the Gallup-Healthways Physical Health Index.<sup>2</sup>

The average length of unemployment for Americans in November 2020 was **over 23 weeks**, up from 20 weeks in November 2019.<sup>3</sup>
