MANA 4396 Internship Academic Credit for Summer 2023

Re-Enrollment: If you are dropped from the course for any reason, you must e-mail the Rockwell Career Center at [hirebauer@uh.edu](mailto:hirebauer@uh.edu), requesting to be re-enrolled. Students will not be re-enrolled automatically. Also, if you are dropped a 2nd time you cannot be re-enrolled and will be ineligible for internship academic credit for the semester.

**Once approved and enrolled in MANA 4396 students are responsible for submitting a term paper through Blackboard by August 1, 2023 at 5:00 PM.**

Following are term paper requirements:

The term paper should discuss and analyze in detail 2 or 3 of the learning opportunities you had while completing the internship. It is recommended that you select a couple of topics/assignments and discuss/research them in detail. You must be able to articulate clearly the knowledge gained from the internship. This is NOT a journal of your experiences, this is an opportunity to explore in detail specific aspects of your experience and to apply prior knowledge and knowledge gained through research to the experience. The term paper should discuss both the positive and negatives of the learning experience and demonstrate your knowledge through additional research.

**Term Paper Specifications:**

- 1.The paper should be between 6 and 8 pages, double-spaced, 12pt font.
- 2.All research sources should be cited using APA or MLA for internal citations and the reference pages. You must have at least 8 unique references and a dictionary does not count as a source.
- 3.Correct grammar and spelling are expected. Proofread your paper before submitting.
- 4.The paper should have an identifiable organization and structure.
- 5.Do not use identifiable names unless given permission by the company and do not reveal proprietary information.

If you need help with grammar, formatting or structuring your paper, the Writing Center offers free consultation services for students: [writingcenter.uh.edu](http://writingcenter.uh.edu)
