Rockwell Career Center

Re-Enrollment: If you are dropped from the course for any reason, you must e-mail the Rockwell Career Center at hirebauer@uh.edu, requesting to be re-enrolled. Students will not be re-enrolled automatically. Also, if you are dropped a 2nd time you cannot be re-enrolled and will be ineligible for internship academic credit for the semester.

Term Paper

Once approved and enrolled in MARK 4396, students are responsible for submitting a copy of the term paper to the faculty advisor by email (partha@uh.edu) by the deadline of **Thursday, April 25, 2024 at 5:00 PM**

Following are term paper requirements:

The term paper must be ANALYTICAL, not descriptive, and should be approx. 10 pages, double spaced, 12 point font. Use your Marketing education and/or independent research to analyze some aspect of the organization or industry in which you did your internship.

For example, if you have taken courses in selling break down the company's selling process, identify where there are opportunities for improvement based on what you know from your classes (or from research you have done, including any study of best practices), and make appropriate recommendations. If you worked on a Marketing campaign, consider the strategic and tactical objectives of the campaign, assessing how well these objectives were met and the reasons for not meeting objectives, and make appropriate recommendations based on what you have learned about Marketing (or from research you have done, including any study of best practices).

You should do some form of analysis; for example, compare results with objectives, compare results with industry benchmarks, compare practices with industry best practices, compare practices with what you learned in class, make some form of comparison or analysis, and base your conclusions and recommendations on that analysis. Do not simply describe what the company does and whether you do or do not like it. Do not just tell us WHAT; tell us WHY. Show that you are analyzing the topic and can support your opinions. Analyze and have a basis for any judgments you make.
