CAREERlink | Events

Registering for Events:

*This includes a variety of events, not just Career Fairs.

1. Click “Events” to access the events that the Career Center sponsors.

2. “Event Status,” will either be ‘Registration Open,’ or ‘Registration Closed.’
   *This will also denote if you are registered for an event or not.

3. Filter events by “Event Type,” to include only those that you might be interested in.

4. OCI stands for On Campus Interviews

5. Click on the event that you are interested in viewing.

Please note: Not all career expos & events are sponsored by the Career Center. If you do not see a particular event that you are looking for listed here, please contact the Career Center or the College that is sponsoring that event. You can also check the events on the Career Center’s homepage for a listing of upcoming events throughout campus. Clicking on a specific event will bring up further information on that event and how to register.
