Information for Incoming Students, Fall 2019

Quinnipiac University Honors Program

Intellectual Curiosity + Academic Leadership

The University Honors Program brings together students who excel in their academic work to create a unique and powerful learning experience. Students are invited to apply to the Program and may be admitted to the Program before they begin their studies at Quinnipiac University. Students additionally have the option to join midway through their first year: watch for emails from the University Honors Program, and sessions on campus for more information. For more information on the Honors Program, including eligibility and graduation requirements, click here.

Professor Melissa Kaplan (Melissa.kaplan@quinnipiac.edu) is the Interim Director of the Honors Program. She will be in touch with you over the summer regarding the Honors Program, so please check your email regularly.

Below is some guidance regarding course registration for students in the Honors Program:

1) All incoming students in the Honors Program should enroll in a section of WP 101H: Intro to Honors Signature Experience. This is a zero credit, pass/fail course. The sections that are available in self-service are:

   WP 101H, sec 1, M 11-11:50am
   WP 101H, sec 2, M 12-12:50pm
   WP 101H, sec 3, W 1-1:50pm
   WP 101H, sec 4, W 2-2:50pm

2) Some Honors students are invited to take EN103H instead of EN101. Professor Glenda Pritchett, who oversees the First Year Writing Program, has emailed all students who are eligible to take EN103H with information on how to enroll. Please refer to her email for additional information on EN 103H, and follow the instructions she provided to enroll.

3) There are 3 Honors-specific UC courses that are suitable for incoming students in the Honors Program. You are not required to take one of them in your first semester, but you should consider doing so. If you are planning to take HS 210, MU 130, or WS 101, make sure you sign up for the honors section (denoted with an H) in self-service:

   HS 210H (Honors Contemporary America), section 1, R, 6:30 – 9:10PM
   MU 130H (Honors Understanding Music), section 1, M 11:45AM – 2:05PM
   WS 101H – (Honors Intro to Women’s & Gender Studies), section 1, TR 9:30 – 10:45AM

Be aware this is only some basic information about the course offerings of the Honors Program to help as you register for your first semester of courses. Be sure to connect with the Honors Program soon to get more complete information about all the requirements and offerings of the Program.
