O'Neill Master Classes Spring 2024

The O'Neill Career Hub is excited to announce the Spring 2024 series of professional Master Classes. As part of our exclusive Level Up professional development program, all O'Neill graduate students have the opportunity to learn from and network with industry experts, professional guests, and alumni on a wide range of professional topics.

Each Master Class will include a presentation followed by time for student questions with the guests. Level Up Master Classes will include lectures, panel discussions, and industry specific skill-based trainings on topics such as federal resumes or case interviewing. During monthly Level Up CREW meetings, graduate students will discuss the content of the Master Classes, building action steps, SMART goals and strategies to continue to build their professional network.

- Please review Master Class offerings for Spring 2024.
- Click the links to register for Master Classes.
- Once registered, you will receive an email confirmation from Handshake.
- You can also search Master Classes in [Handshake](#) using keyword: Master Class
