

DU Career Services

Career & Professional Development is DU's devoted career services department. Career & Professional Development provides the following assistance to all DU students:

- Advising and coaching on how to take the next step in your career
- Connections to job fairs and professional development events
- Interview preparations to help you anticipate questions to impress employers
Support in modifying or developing your resume or cover letter
- Coaching on salary negotiations
- Online catalog of resources and support services
- Current students and recent alumni have access to career advising appointments for up to 12 months post-graduation. After that point, you can receive support from the Alumni Career and Professional Development team.

Ashley Weibel, M.Ed., is the Career Advisor for Graduate Students in the Graduate School of Professional Psychology. You can email or set up a 30- or 60-minute appointment with her to get help on any of your career questions!
