

HOW TO ATTEND A CAREER FAIR OR INTERVIEW

Our Suggestions

Before the career fair make sure you polish up your resume and bring a appropriate amount of copies.

Prepare and practice your 1-minute introduction because after those long lines its your time to shine.

When going into the interview it is your choice to disclose your syndrome because request accommodations.

When going into the interview make sure to do prior research into the job, and grab you nicest clothes so you look sharp.

Don't Forget!

To Prepare yourself by practicing the interview and gain confidence so you crush this interview. YOU GOT THIS!!
